Only those Bidders whose Bid contains Earnest money and documents of qualifying requirements as per the stipulations of Section – I shall be considered eligible for opening of Part – II of the Bid which shall also be opened on the same day. The Price

Bid (Part – II) of the eligible bidders on the basis of evaluation of part – I Bid shall be opened. The date of opening of the price Bid shall be notified in writing or by Fax to all qualified Bidders.

In case the above schedule date of opening of Bid is declared holiday by the State / Central Govt. the Bid will be opened on the following working day keeping time unaltered.

- 25.2 The Bid and its all parts shall be opened in the presence of Bidders' representatives (up to 2 persons) who choose to attend at the date and time for opening of bids indicated in the NIT or in case any extension has been given thereto, on the extended bid opening date & time notified to all the Bidders, who have purchased the Bidding Documents. The Bidders representatives who are present shall sign a register evidencing their attendance. No person / agent shall be allowed to be present during opening of Bid without valid authorization from the concerned bidder.
- 25.3 The Bidders names, bid prices, modifications, bid withdrawals and the presence or absence of the requisite earnest money and such other details as the owner, at its discretion, may consider appropriate shall be announced at the opening.
- 25.4 No electronic recording devices shall be permitted during bid opening.

26. CLARIFICATION OF BIDS

To assist in the examination, evaluation and comparison of Bids, TSECL may, at its discretion, ask the Bidder for a clarification of its Bid. The request for clarification and the response shall be in writing and no change in the price or substance of the Bid shall be sought, offered or permitted.

27. PRELIMINARY EXAMINATION

- 27.1 The owner shall examine the Bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed and whether the Bids are generally in order.
- 27.2 Arithmetical errors shall be rectified on the following basis:

If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and total price shall be corrected. If there is a discrepancy between words and figures, the amount in words shall prevail. If the Bidder does not

accept the correction of the errors as above, his bid shall be rejected and the amount of earnest money shall be forfeited.

The Bidder shall ensure that the prices furnished by him are complete. In the case of not quoting of rates of any item (supply / erection) in the specified price schedules of the Bid Form, TSECL shall be entitled to consider the highest price of the tender for the purpose of evaluation and for the purpose of award of the Contract, use the lowest prices of the tender.

- 27.3 Prior to the detailed evaluation, the owner shall determine the substantial responsiveness of each Bid w.r.t. Bidding Documents. For purpose of these Clauses, a substantially responsive Bid is one which conforms to all the terms and conditions of the Bidding Documents without material deviations. A material deviation is one which affects in any way the prices, quality, quantity or delivery period of the equipment or which limits in any way the responsibilities or liabilities of the Bidder or any right of the owner as required in these specifications and documents. TSECL determination of a Bid's responsiveness shall be based on the contents of the Bid itself without recourse to extrinsic evidence.
- 27.4 A Bid determined as not substantially responsive shall be rejected by the owner and may not subsequently be made responsive by the Bidder by correction of the non-conformity.
- 27.5 The owner may waive any minor non-conformity or irregularity in a Bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.

28. DEFINITIONS AND MEANINGS

- 28.1 For the purpose of the evaluation and comparison of bids, the following meanings and definition shall apply: -
- a. 'Bid Price' shall mean the base price quoted by each Bidder in his proposal for the complete scope of works.
 - b. "Cost Compensation for Deviations" shall mean the Rupee value of deviations from the Bidding Documents, as determined from the Bidder's proposal.
 - c. "Evaluated Bid Price" shall be the summation of 'Bid Price' and 'Cost Compensation for Deviations'.
- 28.2 Calculation of Cost Compensation for Deviations.
- 28.2.1 Deviations from the Bidding Documents in so far as practicable shall be converted to a Rupee value and added to the Bid Price to compensate for the deviation from the Bidding Documents while evaluating the Bids. In determining the Rupee value of the deviations, the owner shall use parameters consistent with those specified in the specifications and documents and/or other information as necessary and available to the owner.

29. COMPARISON OF BIDS

- 29.1 For comparison purposes all the evaluated bid prices shall be in Indian Rupee as under: -
- The item rates as per schedule of this tender process shall be finalized on the basis of overall lowest price offered subject to compliance of "**Pre-Qualification & Techno-commercial bid**".
- 29.2 Evaluated bid prices of all the bidders shall be compared among themselves to determine the lowest evaluated Bid and, as a result of this comparison, the TSECL shall place LOA/Work order as stated above of Clause 30.1.

30. CONTACTING THE OWNER

Bids shall be deemed to be under consideration immediately after they are opened and until such time official intimation of award/rejection is made by the owner to the Bidders. While the bids are under consideration, Bidders and/or their representatives or other interested parties are advised to refrain from contacting by any means, the Owner and/or his employees/representatives on matters

relating to the bids under consideration. The owner, if necessary, shall obtain clarifications on the bids by requesting for such information from any or all the Bidders, either in writing or through personal contacts as may be necessary. Bidders shall not be permitted to change the substance of the bids after the bids have been opened.

AWARD OF CONTRACT

31. AWARD CRITERIA

- 31.1 The owner shall award the Contract to the successful Bidder whose bid has been determined to be substantially responsive and has been determined as technically acceptable and lowest evaluated Bid, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily. The owner shall be the sole judge in this regard.
- 31.2 Further, the owner reserves the right to award separate Contracts to two or more parties in line with the terms and conditions specified in the accompanying Technical Specifications.

32. OWNER'S RIGHT TO ACCEPT ANY BID AND TO REJECT ANY OR ALL BIDS

The owner reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for such action.

33. NOTIFICATION OF AWARD

- 33.1 Prior to the expiration of the period of bid validity and extended validity period, if any, the owner shall notify the successful Bidder in writing by registered letter or by phone or FAX, to be confirmed in writing by registered letter, that his Bid has been accepted.
- 33.2 The Notification of Award/Letter of Award shall constitute the formation of the Contract.
- 33.3 Upon the successful Bidder's furnishing of Contract Performance Guarantee pursuant to Clause **10.0 of section – I**, the owner shall promptly notify each unsuccessful Bidder and will discharge its bid guarantee, pursuant to **Clause 17 (Section – II)**.

34. SIGNING OF CONTRACT

- 34.1 At the same time as the owner notifies the successful Bidder that its bid has been accepted, the owner shall send the Bidder the detailed Letter of Award.
- 34.2 Within 15 (fifteen) days of receipt of the detailed Letter of Award, the successful Bidder shall convey in writing unconditional acceptance of the Letter of Award and shall attend the respective office of TSECL for signing the contract agreement.

35. CONTRACT PERFORMANCE GUARANTEE

- 35.1 The Performance Guarantee shall cover additionally the following guarantees to the owner:
- a. The successful Bidder guarantees the successful and satisfactory operation of the equipment supplied and erected under the Contract, as per the specifications and documents.
 - b. The successful Bidder further guarantees that the equipment provided and installed by him shall be free from all defects in design, material and workmanship and shall upon written notice from the owner fully remedy free of expenses to TSECL such defects as developed under the normal use of the said equipment within the period of guarantee specified in the relevant clause of the General Terms and conditions.
- 35.2 The Contract Performance Guarantee is intended to secure the performance of the entire contract. However, it is not to be construed as limiting the damages under clause entitled "Equipment Performance Guarantee" in Technical Specifications and damages stipulated in other clauses in the Bidding Documents.

- 35.3 The Contract performance Guarantee submitted in the shape of demand draft shall be returned to the Contractor without any interest at the end of successful completion and commissioning of the work against a Bank Guarantee of equivalent amount from any Public Sector / scheduled Indian Bank valid upto the Guarantee period. The Bank Guarantee such deposited shall be discharged after expiry of Guarantee period.
- 35.4 The contract performance Guarantee shall be forfeited: -
- a) If the contractor fails to start the work as per approved BAR CHART for reasons solely rest on him.
 - b) If the contractor left / suspends the work without prior written intimation to the owner's Engineer in charge of the work stating the reasons for such suspension of work.
 - c) If the contractor left / suspends the work for reasons which are not acceptable to TSECL.

36. CORRUPT OR FRAUDULENT PRACTICES

The owner expects the bidders / suppliers / contractors to observe the highest standards of ethics during the procurement and execution of such contracts. In pursuance of this policy, TSECL

- a. defines, for the purpose of this provision, the terms set forth below as follows;
 - i. "Corrupt practice" means offering, giving, receiving or soliciting of anything of value to influence the action of a official in the procurement process or in contract execution, and
 - ii. "Fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the owner, and includes collusive practice among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the owner from the benefits of free and open competition.
- b. Will reject a proposal for award if it determines the bidder recommended for award has engaged a corrupt or fraudulent practice in competing for the contract in question.
- c. Will declare a firm ineligible, either indefinitely or for a stated period of time, if TSECL at any time determines that the firm has engaged in corrupt / fraudulent practices in competing for, or in executing the contract.

20.2.2 Contract Variation

The terms of payments for Contract variations in terms of **clause 19.0 and Sub-clause 21** (if any) of this Section shall be the same as provided in clause 31.2 of this section.

21. EXTENSION OF TIME

21.1 The owner may consider **granting of time extension** for completion of the work if it is felt absolutely essential for the grounds arising out as per **clause – 21 and clause – 39** of this

section or otherwise the time extension shall be granted on fulfillment of following conditions by the Contractor:-

- a) The contractor must apply to the owner's Engineer-In-charge in writing for extension of time so required justifying the necessity as per pro-forma attached at **ANNEXURE – II**.
- b) Such application must state **the grounds** which hindered the contractor in the execution of the work within the time as stipulated in the contract document.
- c) Such application must be made within 30 days of the date on which such hindrance had arisen.
- d) The owner's **Engineer-in-charge** must be of the opinion that the grounds shown for the extension of time are reasonable and without extension of such time completion of the work is practically impossible.

21.2 **The owner's Engineer-In-Charge** will have full powers, but the orders on the application Of the Contractor accepted by the appropriate authorities of TSECL Shall be issued by him only after written approval from the concerned authority..

21.3 The opinion of **the Engineer-in-charge**, whether the grounds shown for the time extension are or are not reasonable, is final. If the owner's **Engineer-in-charge** is of the opinion that the grounds shown by the supplier/ contractor are not reasonable and declines to grant extension to time, the supplier/contractor will be intimated accordingly.

22.0 DEDUCTION FROM CONTRACT PRICE

All costs, damages or expenses which the owner may have paid, for which under the Contract, the Contractor is liable, will be deducted from the progressive bill of the contractor.

23.0 INSURANCE

23.1 The Contractor at his cost shall arrange, secure and maintain all insurance as may be pertinent to the Works and obligatory in terms of law to protect his interest and interests of TSECL against all perils detailed herein. The form and the limit of such insurance as defined herein together with the under-writer in each case shall be acceptable to TSECL. However, irrespective of such acceptance, the responsibility to maintain adequate insurance coverage at all times during the period of Contract shall be of the Contractor alone. The Contractor's failure in this regard shall not relieve him of any of his contractual responsibilities and obligations. The insurance covers to be taken by the Contractor shall be in a joint name of TSECL and the Contractor. The Contractor shall, however, be authorized to deal directly with Insurance Company or Companies and shall be responsible in regard to maintenance of all insurance covers. Further the insurance should be in freely convertible currency.

23.2 Any loss or damage to the equipment during handling, transportation, storage, erection, putting into satisfactory operation and all activities to be performed till the successful completion of commissioning of the equipment shall be to the account of the Contractor. The Contractor shall be responsible for preference of all claims and make good the damages or loss by way of repairs and/or replacement of the equipment / material, damaged or lost. The transfer of title shall not in any way relieve the Contractor of the above responsibilities during the period of Contract. The Contractor shall provide TSECL with copy of all insurance policies and documents taken out by him in pursuance of the Contract. Such copies of documents shall be submitted to TSECL immediately after such insurance coverage. The Contractor shall also inform TSECL in writing at least sixty (60) Days in advance regarding the expiry/cancellation and / or change in any of such documents and ensure revalidation, renewal etc., as may be necessary well in time.

23.3 The perils required to be covered under the insurance shall include, but not be limited to fire and allied risks, miscellaneous accidents (erection risks) workman compensation risks, loss or damage in transit, theft, pilferage, riot, strikes, social unrest and malicious damages, civil commotion, weather conditions, accidents of all kinds, etc. The scope of such insurance

shall be adequate to cover the replacement/reinstatement cost of the equipment for all risks up to and including delivery of goods and other costs till the equipment is delivered at Site. The insurance policies to be taken should be on replacement value basis. Notwithstanding the extent of insurance cover and the amount of claim available from the underwriters, the Contractor shall be liable to make good the full replacement/rectification value of all equipment/materials and to ensure their availability as per project requirements.

23.4 All costs on account of insurance liabilities covered under the Contract will be to Contractor's account and will be included in Contract Price, However, TSECL may from time to time, during the pendency of the Contract, ask the Contractor in writing to limit the insurance coverage, risks and in such a case, the parties to the Contract will agree for a mutual settlement, for reduction in Contract price to the extent of reduced premium amount. The Contractor, while arranging the insurance shall ensure to obtain all discounts on premium, which may be available for higher volume or for reason of financing arrangement of the project.

24.0 LIABILITY FOR ACCIDENTS AND DAMAGES

Under the Contract, the Contractor shall be responsible for loss or damage to the equipment until the successful completion of commissioning as defined else-where in the Bidding Documents.

25.0 DELAYS BY THE OWNER OR HIS AUTHORISED AGENTS

In case the Contractor's performance is delayed due to any act on the part of the owner or his authorized agents, then the Contractor shall be given due extension of time for the completion of the Works, to the extent of such act on the part of the owner has caused delay in the Contractor's performance of the Contract.

Regarding reasonableness or otherwise of the extension of time, the decision of the TSECL shall be final.

26.0 DEMURRAGE, WARFARE, ETC.

All demurrage, warfare and other expenses incurred due to delayed clearance of the material or any other reason shall be to the account of the Contractor.

27.0 FORCE MAJEURE

27.1 Force majeure is herein defined as any cause which is beyond the control of the Contractor or TSECL as the case may be, which they could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affects the performance of the Contract, such as:

- a. Natural phenomena, including but not limited to floods, droughts, earthquakes and epidemics;
- b. Acts of any Government including but not limited to war, declared or undeclared, quarantines, and embargoes.

Provided the contractor shall within fifteen (15) days from the occurrence of such a cause notify the owner in writing of such causes, acceptance of which will be given by the owner after verification.

27.2 The Contractor or TSECL shall not be liable for delays in performing his obligations resulting from any force-majeure cause as referred to and /or defined above.

The date of completion will, subject to hereinafter provided, be extended by a reasonable time. In such case the contractor shall submit to owner's Engineer-in-charge of the work the time extension application as per format attached at **ANNEXURE – II**.

28.0 SUSPENSION OF WORK

TSECL reserves the right to suspend and reinstate execution of the whole or any part of the Works without invalidating the provisions of the Contract. Orders for Suspension or reinstatement of the Works will be issued by TSECL to the Contractor in writing. The time for completion of the works will be extended for a period equal duration of the suspension.

28.0 CONTRACTOR'S DEFAULT

28.1 If the Contractor shall neglect to execute the Works with due diligence and expertise or shall refuse or neglect to comply with any reasonable order given to him in the Contract by the owner's Engineer in charge of the work in connection with the works or shall contravene the provisions of the Contract, the owner may give notice in writing to the Contractor to make good the failure, neglect or contravention complained of should the Contractor fail to comply with the notice within thirty (30) days from the date of serving the notice, then and in such case the owner shall be at liberty to employ other workmen and forthwith execute such part of the Works as the Contractor, may have neglected to do or if the owner shall think fit, without prejudice to any other right he may have under the Contract to take the work wholly or in part out of the Contractor's hands and re-contract with any other person or persons to complete the works or any part thereof and in that event the owner shall have free use of all Contractor's equipment that may have been at the time on the Site in connection with the works without being responsible to the Contractor for fair wear and tear thereof and to the exclusion of any right of the Contractor over the same, and the owner shall be entitled to retain and apply any balance which may otherwise be due on the Contract by him to the Contractor, or such part thereof as may be necessary, to the payment of the cost of executing the said part of the Work or of completing the Works as the case may be. If the cost of completing of Works or executing a part thereof as aforesaid shall exceed the balance due to the Contractor, the Contractor shall pay such excess. Such payment of excess amount shall be independent of the liquidated damages for delay, which the Contractor shall have to pay if the completion of Works is delayed.

28.2 In addition, such action by the owner as aforesaid shall not relieve the Contractor of his liability to pay liquidated damages for delay in completion of Works as defined in **clause 13.0** of this Section.

Such action by the owner as aforesaid, the termination of the Contract under this clause shall neither entitle the Contractor to reduce the value of the Contract Performance Guarantee nor the time thereof. The Contract Performance Guarantee shall be valid for the full value and for the full period of the Contract including guarantee period.

29.0 TERMINATION OF CONTRACT ON OWNER'S INITIATIVE

29.1 The owner reserves the right to terminate the Contract either in part or in full due to reasons stipulated in the clause entitled "Contractor's Default." The owner shall in such an event give fifteen (15) days notice in writing to the Contractor of his decision to do so.

29.2 The Contractor upon receipt of such notice shall discontinue the work on the date and to the extent specified in the notice.

29.3 If the Contractor is an individual or a proprietary concern and the individual or the proprietor dies and if the Contractor is a partnership concern and one of the partners dies then unless the owner is satisfied that the legal representatives of the individual contractor or of the proprietor of proprietary concern and in the case of partnership, the surviving partners, are capable of carrying out and completing the Contract, the owner shall be entitled to cancel the Contract as to its uncompleted part without being in any way liable to payment of any compensation to the estate of deceased Contractor and/or to the surviving partners of the Contractor's firm on account of the cancellation of the Contract. The decision of the owner that the legal representatives of the deceased Contractor or surviving partners of the

Contractor's firm cannot carry out and complete the Contract shall be final and binding on the parties.

RESOLUTION OF DISPUTES

30.0 SETTLEMENT OF DISPUTES

30.1 Any dispute(s) or difference (s) arising out of or in connection with the Contract shall, to the extent possible, be settled amicably between the parties.

30.2 If any dispute or difference of any kind whatsoever shall arise between the owner's Engineer in charge of the work and the Contractor, arising out of the Contract for the performance of the Works whether during the progress of the Works or after its completion or whether before or after the termination, abandonment or breach of the Contract, it shall, in the first place, be referred to and settled by the Additional General Manager of the concerned circle / General Manager of TSECL as the case may be, who, within a period of thirty (30) days after being requested by either party to do so, shall give written notice of his decision to both the parties.

30.3 In the event the Contractor being dissatisfied with any such decision, the matters in dispute shall be referred to arbitration as hereinafter provided.

31.0 ARBITRATION

31.1 All disputes or differences in respect of which the decision, if any, of the appropriate authority of TSECL has not become final or binding as aforesaid shall be settled by arbitration in the manner hereinafter provided.

31.1.1 The arbitration shall be conducted by an arbitrator, to be nominated by TSECL and he will be the sole arbitrator to conduct the arbitration.

31.1.2 The arbitration shall be conducted in accordance with the provisions of the Indian Arbitration & Reconciliation Act, 1996 or any statutory modification thereof. The venue of arbitration shall be at **Agartala**.

31.2 The arbitrators may, from time to time with the consent of all the parties enlarge the time for making the award.

31.3 The arbitrator shall have full powers to review and/or revise any, decision, opinion, direction, certification or valuation of the Engineer in accordance with the Contract, and neither party shall be limited in the proceedings before such arbitrators to the condense or arguments out before the Engineer for the purpose of obtaining the said decision.

31.4 During settlement of disputes and arbitration proceedings, both parties shall be obliged to carry out their respective obligations under the Contract

32.0 RECONCILIATION OF ACCOUNTS

The Contractor shall prepare and submit every month, a statement covering payments claimed and the payments received vis-à-vis the works executed, for reconciliation of accounts with the owner's Engineer in charge of the work. The Contractor shall also prepare and submit a detailed account of Materials received from TSECL and utilized by him for reconciliation purpose.
