Sub: Request for Nominations for PGDM (Executive) Program of NTPC School of Business

Dear Sir,

This in reference of our earlier letter dated 08.03.2021 seeking nominations for PGDM (Executive) Program of NTPC School of Business (Copy attached for reference pl.)

As you know NTPC is keen to assist the State Utilities, our important stakeholders, to enhance their business performance on all fronts. Capacity building in terms of enhancing managerial skills of middle and senior management is one such agenda.

In this context, NTPC School of Business (NSB), under the ambit of NTPC, and in collaboration with **Indian Institute of Management, Ahmedabad (IIMA)**, imparting AICTE approved 15- month Executive PGDM program, needs a mention.

The program presents a unique blend of learnings in energy management - sector specific policies, business models, technology in transition, efficiency, innovations, forecasts, communication strategies etc. **International Immersion is a part of the course to give global exposure. (Program Brochure is attached)**

As also communicated in our earlier letter, we intend to sponsor ten (10) officials from various Discoms (Customers/Beneficiaries of NTPC) for the Post Graduate Diploma Program in Management - PGDM (Executive) for the ensuing academic year 2021-22. The sponsorship shall be limited to the Programme Fees of Rs. 15,00,000/- (Rupees Fifteen lakhs only) excluding refundable security deposit of Rs. 30,000/-. The Program fee includes accommodation but excludes food charges. All other expenses have to be borne by the candidates. **Kindly note that Classes shall be run by IIMA and NSB faculty on-line till Covid situation normalizes.**

We therefore invite you again to take benefit of the program by nominating some potential candidates. Please send your nominations by the **end of June 2021** so that we will be able to process the same at our end.

With best wishes,

Yours Sincerely,

(Anil Nautiyal)

About the NTPC School of Business

NTPC limited (a Maharatna company of Government of India, and India's largest energy conglomerate) promotes the NTPC Education and Research Society (NEARS). The NTPC School of Business (NSB) is under the aegis of the NEARS. It has the distinction of being the pioneer in energy management education, and is positively impacting the energy sector through knowledge creation and dissemination.

NSB was established in 2014. It is committed to the advancement of management education, research, training and consultancy for the energy sector. NSB runs two AICTE-approved programmes, namely, the Two-year Post Graduate Diploma in Management-Energy Management (PGDM-EM) and Fifteen-months Post Graduate Diploma in Management-Executive (PGDM-E).

MoU with Indian Institute of Management Ahmedabad (IIM A)

IIMA and NSB signed a Memorandum of Understanding (MoU) in 2018 to foster future energy managers in various energy fields. Since then NSB is mentored by IIMA on design of courses and pedagogy for highly interactive approaches towards learning.

About the PGDM (Executive) Programme

PGDM (Executive) programme includes twelve months of classroom learning and three months of project work. Experience sharing seminars for peer learning and live industry project under expert guidance enhance learning outcomes. These activities help analyze situations and apply skills to real business situations. The PGDM (Executive) programme is best suited for working professionals to add value to their career and prepare visionary leaders for the energy sector.

Why the PGDM (Executive) Programme

This programme is meant for professionals with minimum five years of experience in the industry; poised to assume larger scale leadership roles. Learning from the course will enhance their preparedness to influence a significant variety of decision making landscapes in industry, government, financial institutions and bilateral / multilateral domains. This ensures deep insights about national, regional and global scale perspectives and their convergence to complement design, delivery and governance, central to comprehensive management. Energy sector related principles and practices are twinned with essentials of management seamlessly for optimal outcomes.

Key Benefits of Programme

PGDM (Executive) programme enhances awareness and skill levels to comprehend enactments, related market and institutional dynamics and skills to devise interventions related to the energy sector.

- » Advantages of learning theoretical and practical aspects of management from professors of IIMA, NSB, industry veterans and peer group learning.
- » The programme includes rigorous course work and enriches learning through project work.

The Global Immersion Programme

The PGDM (Executive) programme includes a two-week global immersion programme. It leverages the opportunity to learn from culturally diverse contexts and delivers a globalized inter-dependent business environment. The different batches of PGDM (Executive) programme have visited the Nanyang Technological University, Singapore, Judge Business School, Cambridge University, UK and the ESCP London and Madrid.

Faculty

IIMA is hand holding NSB in its pursuit towards excellence. In this process, a significant part of the curriculum is being delivered by professors from IIMA and the remaining through a robust synthesis of excellence from NSB, Industry.

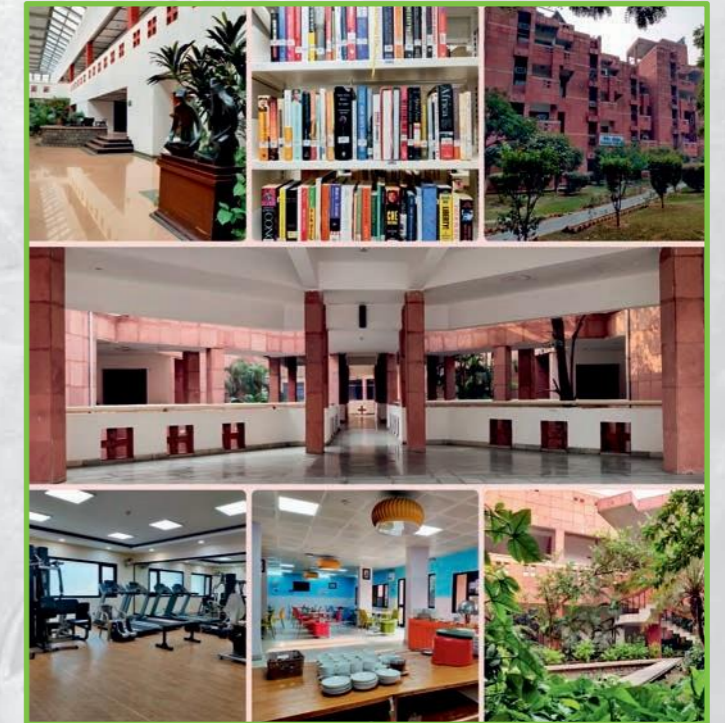

Pedagogy

Lectures, case studies, group projects, discussions, live research projects and management games are important elements. Elective courses are offered based on the interests, area of specialization and industry requirements.

Infrastructure

NSB presents computer labs, seminar halls, well equipped lecture rooms and discussion forums to promote effective learning. A modern library offers access to a wide range of both print and electronic sources with an increasing emphasis on e-books/ e-journals, PROQUEST, DELNET etc. The hostel rooms are air-conditioned and fully furnished with modern amenities like Wi-Fi, LAN connection.

Clubs, Committees and Events

Several clubs, committees (including Industry Interaction cell, Cultural Committee, Alumni Association, Media Cell and Sports Council) have been established and run by NSB students. These entities organize a series of events and conclaves throughout the year. 'Vyaakhya': an interactive guest lecture series acquaints students with real life organizational challenges through interactions with invited speakers.

Placement Assistance

Students completing the course successfully shall be provided assistance for placement.
